1. On 31 May 1952, the barracks installation east of Leipziger Strasse in Altenburg (N 51/K 27) was occupied by about 1,000 troops wearing red-bordered black epaulets including some with artillery insignia or motor transport insignia. In the forenoon on 21 May, five armored personnel carriers each towing one 100-mm AT gun and occupied by personnel with field equipment left the installation proceeding toward Leipzig (N 52/E 21). In the forenoon on 23 May, five armored personnel carriers, two of which towed a 100-mm AT gun and carried personnel with field equipment, left the installation and proceeded toward Röblitz. On 27 May, all troops received training with 3 medium AT guns and 4 x 100-mm AT guns in the barracks yard.
